

*Track D: Working with CBOs*

## **SESSION 5D**

**“Working with Community  
Based Organizations”**

**Wednesday, November 30th,  
from 9:00-10:45 am  
Denguélé**

2.6 billion

47,000

35%

*If we want to move from project models to national scale systems...*

what type of **organisations**,  
**capacities**, **tools** and  
**institutions** will be needed to  
operate & maintain Rural  
Water Supply Systems post-  
construction?
